

TODAY'S WORK STATUS

daddlasahith/asset-request - <http://13.53.139.196:8082/>

The screenshot displays the 'ASSET MANAGEMENT' dashboard. At the top, a header bar contains the title 'ASSET MANAGEMENT' and the subtitle 'Track and manage your assigned assets efficiently'. Below this, a 'My Assets' section features a '+ Request Asset' button and four asset cards. Each card shows an icon, the asset type, a specific model and serial number, and its status. The assets are: a Laptop (MacBook Pro 16", Serial: MBP2023-1234, Assigned), a Monitor (Dell 27" 4K, Serial: DEL2023-5678, Assigned), a Keyboard (Logitech MX Keys, Serial: LOG2023-9012, Assigned), and a Mouse (Logitech MX Master 3, Serial: LOG2023-3456, Available). The dashboard is viewed in a web browser with the address bar showing '13.53.139.196:8082'.

Asset Type	Model/Serial	Status
Laptop	MacBook Pro 16" Serial: MBP2023-1234	Assigned
Monitor	Dell 27" 4K Serial: DEL2023-5678	Assigned
Keyboard	Logitech MX Keys Serial: LOG2023-9012	Assigned
Mouse	Logitech MX Master 3 Serial: LOG2023-3456	Available

daddlasahith/asset-hr - <http://13.53.139.196:8086/>

The screenshot displays the 'HR ASSET MANAGEMENT' dashboard. The header bar includes the title 'HR ASSET MANAGEMENT' and the subtitle 'Manage and track employee asset requests efficiently'. Below the header, there is an 'Asset Requests' section with a dropdown menu for 'All Status', a search bar for 'Search by Employee ID', and a 'Clear All Records' button. A table below this section lists the requests with columns for Request ID, Employee ID, Asset Type, Request Date, Status, and Actions. The dashboard is viewed in a web browser with the address bar showing '13.53.139.196:8086'.

Request ID	Employee ID	Asset Type	Request Date	Status	Actions
------------	-------------	------------	--------------	--------	---------

daddlasahith/staff-code - <http://13.53.139.196:8090/>

The screenshot shows a web browser window with the URL <http://13.53.139.196:8090/>. The page is titled "Staff Management Portal" and features a table with columns: Employee Name, Employee ID, Company Mail, Role, Joining Date, Training Status, Project Status, and Actions. An "Add Employee" button is located in the top right corner. The browser's address bar shows "Not secure" and the IP address. The Windows taskbar at the bottom displays the search bar, task view button, and various application icons.

Employee Name	Employee ID	Company Mail	Role	Joining Date	Training Status	Project Status	Actions
---------------	-------------	--------------	------	--------------	-----------------	----------------	---------

HOST VOLUMES:

daddlasahith/host-asset - <http://13.53.139.196:8084/>

The screenshot shows a web browser window with the URL <http://13.53.139.196:8084/>. The page is titled "ATS ASSET MANAGEMENT" with the subtitle "Track and manage your assigned assets efficiently". Below the title, there is a "My Assets" section with a "+ Request Asset" button. Four asset cards are displayed: Laptop (MacBook Pro 16", Serial: MBP2023-1234, Assigned), Monitor (Dell 27" 4K, Serial: DEL2023-5678, Assigned), Keyboard (Logitech MX Keys, Serial: LOG2023-9012, Assigned), and Mouse (Logitech MX Master 3, Serial: LOG2023-3456, Available). The browser's address bar shows "Not secure" and the IP address. The Windows taskbar at the bottom displays the search bar, task view button, and various application icons.
